## Seward Group

"Hi Steve,  
The trip was fantastic - great courses and accommodation.  
We have all done many golf trips and fair to say that this one being the best organised and executed by far.  
*Seamless and worry free come to mind.*  
Thanks again - no hesitation in recommending CGE"

## Kaesler Group

"I can't recommend CGE more highly after our trip to Mission Hills Dongguan. From the start of the process Steve was unbelievable in terms of setting up an itinerary, answering questions and arranging prices.

We had 20 guys attend this trip and in the year between our booking and our departure, Steve was there through every step of the journey to answer questions and make suggestions.

We would all have no hesitation in recommending a trip to China with CGE and look forward to working with Steve again for another trip with CGE in the near future!"
